

ROHIT KUMAR

Mern Stack Developer

ABOUT ME

I'm a dedicated MERN stack developer who enjoys solving complex problems and creating seamless user experiences. I thrive in collaborative environments and am always eager to learn and adapt to new challenges, with a focus on building impactful and innovative web applications. I take pride in writing clean, maintainable code and approaching every project with a strong attention to detail. My goal is to contribute to meaningful projects that make a difference and continuously grow as a developer.

WORK EXPERIENCE

COLLEGEPUR

Frontend Developer Intern **NOW-2025(April)**

- LMS Portal for CollegePur** – built responsive interfaces for effective online learning.
- UpliftAid NGO Website** – designed and developed almost every page, leading to a noticeable increase in outreach and production.
- CollegePur Official Website** – implemented modern, responsive layouts to improve user engagement.
- Focused on crafting mobile-friendly designs and optimizing page performance.
- Recognized as Intern of the Week 4 times for exceptional contributions and timely delivery.

PROJECTS

DAILYDROP (BLINKIT CLONE)

- Built a fully responsive grocery delivery web app.
- Implemented cart management and online/offline payments, including Stripe integration for secure online transactions.

CHATTY (REAL TIME CHAT APPLICATION)

- Developed a chat application with MongoDB as the database.
- Used Socket.io for real-time communication between users.

COLLEGECONNECT (IN PROGRESS)

- Creating a Next.js web platform for 12th-pass students to connect with college seniors for genuine reviews.
- Features include direct senior-student chats, group chat for sharing notes, and collaborative project opportunities across colleges.

ACHIEVEMENTS

- Awarded 20% scholarship for ranking in the top 5% of students.
- Recognized as "Intern of the Week" 4 times at CollegePur for outstanding performance as a Frontend Developer.

CERTIFICATES

- Web Development – STP Computer Education, 2024
- Adobe Photoshop – STP Computer Education, 2023
